

The Commerce Forum, Kautilya-2K23 under the guidance of Shri. Mahabaleshwar Tunga conducted an event called “Business Hunt”. Treasure hunts give a sense of achievement and this boosts students self-confidence. Cracking mysteries, and solving puzzles make them more confident in taking up challenges. It also enhances creativity which challenges kids to think and use their creativity to solve mysteries.

Students from Commerce background actively participated in the event, Vishnu Raj from C-6 and the team were declared winners, and Karthik and the team from G2 were declared runners-up..
