

Inter college Competition at St Paul's College

On 17 May 2024, A Inter collegiate College Fest Paulkala was held at St Paul's College. The event attracted talented singers from various colleges across the region, showcasing a wide range of musical genres and exceptional vocal abilities. The singing competition was a resounding success, celebrating the talents of young singers. The competition aimed to encourage young talent and provide a platform for students to display their singing skills. The participants were divided into various categories based on age groups and musical genres, ensuring a fair and competitive environment. The competition concluded with the announcement of the winners across different categories.
