

NCC Camp at Sri Venkateshwara College of Engineering, Bangalore

We are proud to announce that our NCC students, have successfully completed NCC camp at Sri Venkateshwara College of Engineering, Bangalore

The main objectives of the National Cadet Corps (NCC) annual camps are as follows:

- **Discipline and Leadership:** To instill a sense of discipline, responsibility, and leadership qualities among cadets.
- **Teamwork and Unity:** To promote teamwork and foster a sense of national integration among cadets from different regions and backgrounds.
- **Physical Fitness and Endurance:** To improve physical fitness and endurance through various activities, drills, and exercises.
- **Military Training:** To provide basic military training, including skills such as map reading, shooting, and first aid.
- **Adventure and Confidence Building:** To engage cadets in adventure activities to build confidence, resilience, and a spirit of adventure.
- **Community Service:** To encourage participation in social service and community development activities, promoting a sense of civic responsibility.
- **Personality Development:** To aid in the holistic development of cadets, enhancing their personal skills, communication abilities, and overall personality.
- **Patriotism and National Awareness:** To instil a sense of patriotism and make cadets aware of their duties and responsibilities towards the nation.
- These objectives aim to develop well-rounded individuals who can contribute positively to society and the nation.
