

## SEMINAR ON ENTREPRENEURSHIP

The Soundarya Composite PU College students had a gripping session on entrepreneurship led by our esteemed alumni Madhuri.B.V., Our students gained insights, on networking and how to unleash their entrepreneurial potential!

The program also focused on the traits of an Entrepreneur and how to encompass a diverse range of qualities including creativity, resilience, adaptability, passion, risk-taking, leadership, problem-solving skills, and the ability to persevere in the face of challenges. Effective communication, strategic thinking, and a willingness to learn and iterate are also crucial for entrepreneurial success.
