

## Drawing Competition

A Drawing, Painting and Pencil Sketch Competition is an event designed to showcase and celebrate artistic talent. Participants, often grouped by age or skill level, create artworks based on a given theme or subject. These competitions encourage creativity, improve artistic skills, and provide a platform for artists to express their ideas visually. Judges typically evaluate entries based on criteria such as originality, technique, and adherence to the theme. Winners may receive prizes, certificates, or public recognition. Such events foster a sense of community among artists and can inspire participants to pursue further artistic endeavours. The event was organised by Cultural and Literary Club 'Panache' on 20 July 2024.
