

## **KAUTILYA 2K-25 Business Plan Competition**

A resounding success! 🏆 SOUNDARYA COMPOSITE PU COLLEGE's KAUTILYA 2K-25 Business Plan Competition concluded with incredible energy and innovative ideas.

Our brilliant young entrepreneurs showcased their visionary business plans, demonstrating exceptional creativity, strategic thinking, and a promising spirit of entrepreneurship. It was a remarkable platform for students to transform their innovative ideas into structured business proposals.

The competition witnessed a impressive array of presentations, with participants showcasing well-researched plans across various sectors. The judges had the challenging task of evaluating these proposals based on originality, feasibility, financial planning, and presentation skills.

We were honored to have a panel of distinguished judges who brought a wealth of knowledge to the event:

Ms. Divya, Assistant Professor at SIMS: Ms. Divya provided a crucial academic and strategic lens, assessing the robustness of the business models and the depth of the students' market analysis.

Ms. Ashika Salian, Manager - Purchases and Design at Weltech Engineering: With her dual expertise in architecture and corporate management, Ms. Ashika offered invaluable feedback on design thinking, operational practicality, and project viability.

The presence of such accomplished professionals provided our students with real-world insights and inspiration, elevating the entire competition.

The event was not just a contest but a celebration of creativity and future leadership. It underscored the college's commitment to nurturing not just academically proficient students, but also the problem-solvers and entrepreneurs of tomorrow.

Congratulations to all the participants for their exceptional efforts and to the winners of the competition! A special thank you to the faculty, organizers, and our esteemed judges for making KAUTILYA 2K-25 a grand success.

Co-ordinator: Praveen.N., Lecturer in Commerce
